

**BE GREAT TOGETHER WITH US. Innovation, Efficiency and Ambition:** this is what VAT has stood for over 50 years. With this passion, VAT has grown to become the leading international developer, manufacturer and supplier of high-performance high-end vacuum valves and vacuum sealing technology, employing over 2000 people worldwide. The headquarters are located in Haag (Switzerland), the production centers in Switzerland, Malaysia, Romania and Taiwan.

Our team in Haag, Switzerland is looking for you:

## Head of Product Management – Global Services (GSE)

### YOUR CHALLENGES

- . Driving growth in a services business unit with over 150mCHF in sales in highly technical markets
- . Ownership and management of the entire Global Service (GSE) product portfolio and the development of new products within this portfolio
- . Leading a team of seven to 10 Product Managers to grow the services business in the semiconductor and display & solar markets
- . Leading a highly skilled team to develop 5 year strategic plans and mid-term execution plans for the Business Unit GSE
- . Leads the value pricing strategy and the margin improvement initiatives within the business unit
- . Leads the development and rollout of new products worldwide with cooperation of the GSE engineering team and the global sales team
- . Develops marketing and sales account plans for the biggest customers in the industries we serve

### YOUR COMPETENCIES

- . Proven product management skills and a track record of growing and managing complex businesses
- . BS Engineering or equivalent experience
- . Business experience in making business plans, marketing plans, and product rollout plans
- . Knowledge of the semiconductor or display & solar markets
- . Experience in international markets, especially in Asia
