

«I appreciate the versatility and technical solutions for our customers from different industries and cultures»

Sales Director Aerospace (m/f/d)

Would you like to be part of a world-class company? If so, we look forward to seeing your profile and learning more about you.

As part of a succession plan we are strengthening our global sales team with a Sales Director, who will use his sales flair and offer effective high end technical solutions to our renowned customers such as Airbus, Boeing, Rolls-Royce etc. and further develop our market share.

Your contribution to success

By taking over the following tasks, you can develop your potential as well as grow and contribute to the success together with us:

- Continuous expansion of our footprint within the aerospace machine tool market
- Definition and coordination of market development strategies and activities
- Provide our customers with value-based solutions
- Goal oriented leadership and further development of our global aerospace sales team (6 employees)

That's what you bring with you

- Completed technical education combined with broad sales skills and customer network ideally in the aerospace market
- At least 5 years of sales or market development experience
- Open minded, pragmatic and sales driven personality
- Very good German and English language skills (French is an advantage)

Our Offer

We offer you an exciting challenge in a dynamic environment with an employee oriented corporate culture combined with high-tech products and highly motivated and qualified team colleagues.

We value trust, passion and a solution-oriented approach. Do you feel addressed? Enrich our team.

Starrag Group is a global technology leader in manufacturing high-precision machine tools for milling, turning, boring and grinding work-pieces of metallic, composite and ceramic materials.
