

**BE GREAT TOGETHER WITH US. Innovation, Efficiency and Ambition:** this is what VAT has stood for over 50 years. With this passion, VAT has grown to become the leading international developer, manufacturer and supplier of high-performance high-end vacuum valves and vacuum sealing technology, employing over 2000 people worldwide. The headquarters are located in Haag (Switzerland), the production centers in Switzerland, Malaysia, Romania and Taiwan.

Our team in Haag, Switzerland is looking for you:

## Modern Workplace Consultant (Microsoft 365), m/f/d (100%)

### YOUR CHALLENGES

- . Roadmap definition for the introduction of Microsoft modern workplace
- . Business analysis and requirements engineering in the environment of Microsoft 365 and related technologies
- . Business process mapping in Microsoft 365 components (e.g. via PowerApps, Power Automate, SharePoint, Teams...)
- . Introduction of governance as well as role and rights concepts
- . Handle projects throughout the whole lifecycle
- . Planning, coordination and validation of technical migrations to Microsoft 365
- . Change management

### YOUR COMPETENCIES

- . 3+ years solid experience in managing international projects
- . Strong understanding of Microsoft modern workplace
- . Good understanding of how surrounded systems, like Microsoft D365 Finance & Supply Chain Management, interact with Microsoft 365
- . Independent and autonomous working style
- . A high level of personal motivation and a strong ability to communicate at all levels
- . Ability to coordinate and delegate projects to sub-teams and external partners
- . Diligence in concept design and process modeling
- . Proficient in written and spoken English
- . Strong team player

### Nice to have:

- . Agile project management
- . Completed studies in computer science, business informatics or comparable qualification
